Among the late date bills left after
the adjournment of the Legislature, one from P. Wat
Hardin, Democratic nominee for
Governor of Kentucky.

Vote the Log Cabin ticket and
you vote against Free Trade. Henry
Watterson says: "The Democratic
party is a Free Trade party or it is
nothing."

Tim Farmer's Congress at Atlanta
Monday declared for Sound Money
by the decisive vote of 251 to 14 to
104 to 14. The result produced a
sensational Free Silver circles.

Mr. B. D. Hixson for a number of
years editor of the *Herald* has severed
his connection with the paper that he
may devote his time to his canvass.
Mr. Hixson is an able newspaper man
and it is to be hoped his retirement
from the journalistic field may be but
temporary.

JULIAN C. JOHNSON, of Lebanon,
who formerly wrote a series of able
political articles for THE REPUBLICAN,
is a candidate for Representative in
Marion county and is making a
splendid canvass. He is eminently
qualified for the office he seeks and
has a good chance to win.

The cause of Democracy is indeed
in a sad plight, when the Committee
calls Billy Breckinridge to take the
stamp. He has already spoken at
Bardonia and it has been announced
that he would speak at Louisville
last night. Breckinridge ought to be
made to take the rest of his past conduct
so richly merits.

The registration last year in the
city of Louisville gave the Democrats
8,000 majority, but at the election
the city went Republican by 4,000.
This year the registration shows only
4,000 Democratic majority, and the
indications are that Louisville will
give the Republicans from 8,000 to
10,000 majority.

On Monday Judge Toney, of Louis
ville, handed down a judgment in the
suit of Kaufman, Straus & Co., vs.
the Louisville Gas Co. in which he
rendered judgment for plaintiffs in
sum of \$229,555.83 for damages re
sulting from an explosion, which oc
curred in the defendants' works three
or four years ago. This is perhaps
the largest judgment for damages ever
given in the State.

ALTHOUGH the Democrats are
troubling about "mixed schools,"
"negro equality" and such sort, in case
Bradley is elected, the *New South*, a
negro paper of Louisville, is opposing
Bradley and has taken his name from
the ticket. Beyond all this the Demo
cratic Committee has employed the
negro Democrats, Christian and
Rest, to go over the State making
Democratic speeches. Why then
should not the people fear negro domi
nation if the Democrats win? None
but a party in the last extremity—in
the last ditch—would resort to such
base methods.

MR. HENRY WATTERSON, the great
Editor of the *Courier-Journal*, says of
the Democratic party in Kentucky:
"In State affairs the Democratic
party, as a party, HAS NEVER
HAD A POLICY. Every measure of
importance to the State, has rested
for success for votes on individual
efforts and personal popularity. KEN
TUCKY IS BEHIND THE AGE IN
DEALING WITH FIVE SUBJECTS
OF FIRST IMPORTANCE TO EVERY
INTELLIGENT COMMUNITY.
TO-WIT: REVENUE, CONVICTS,
CHARITABLE INSTITUTIONS,
SCHOOLS AND PUBLIC ROADS."
"Mistakes have been made, but
mistakes were inevitable, when the
Legislative Branch of Government
was paralyzed, and the party in the
ascendant, as far as its State policy
went, LACKED BOTH CONFI
DENCE AND COURAGE."

The "mixed school" question is an
utter absurdity and nobody knows it
better than Mr. Hardin, his Commit
tee and his hearers who echo the cry
over the State. The New Constitu
tion which was voted for by a major
ity of the negroes, and which cannot
be changed except by a vote of the
people demands separate schools for
white and colored children. Section
187 of the present Constitution is as
follows:

"In distributing the school fund no
distinction shall be made on account of
race or color, and separate schools for
white and colored children shall be
maintained."

Notice the Constitution does not
say that separate schools for white
and colored may be maintained, but
shall be maintained. Such an appeal
to the supposed ignorance and prej
udice of the people is an insult to the
intelligence of the people of Kentucky.
As well charge the people of the
State with being in favor of mixed
schools, because they adopted the
Constitution, which forbids mixed
schools as a forbearance in the case of
the election of the Republican ticket,
whites and colored will be schooled
together. Nothing but desperation
could drive the Democratic leaders,
editors and speakers to such a coward
ly, sneaking and diabolical
scheme. They have left the realm of
legitimate argument, being driven
from the field, in part by their own
candidates and their Committee,
which eliminated the issues from the
campaign, and now they pitch their
fight upon the credibility and prej
udice of the people, whose interests
they profess to have at heart. Such
tactics are a disgrace to the State.

STAMP inside the square, under the
Log Cabin.

STAMP your ballot inside the square
right under the Log Cabin.

He's not much Republican who
stays away from the polls this year.

The great cry among Democrats
now is, "Run Democrat, run, Nigger
will catch you."

When a modern Democrat seeks a
Federal Office now, he writes a ranted
gold-bug letter, and gives it to reasons
for not supporting his party, then
takes the first train to Washington and
lays his claim upon the record he has
made.

HON. GEORGE W. LONG, Repu
lican nominee for Treasurer, will
speak at the Court House here
on next Wednesday, the 23rd, at one
o'clock. Mr. Finley is a clear head
ed, well informed young man and a
good speaker. Republicans who
wish hearing him will miss a political
treat.

HON. CHARLES FINLEY, Repu
lican nominee for Secretary of State,
will speak at the Court House here
on next Wednesday, the 23rd, at one
o'clock. Mr. Finley is a clear head
ed, well informed young man and a
good speaker. Republicans who
wish hearing him will miss a political
treat.

The Democratic twaddle about
mixed schools in Kentucky in case of
Republican victory is made in the
full knowledge that the Republicans
are as far as Democrats from desiring
mixed schools, and the further fact
that the Constitution says that sepa
rate schools for white and colored
children shall be maintained.

ELSEWHERE in these columns will
be found a very complimentary men
tion of Col. C. M. Barnett, Republican
nominee for Representative, from the
Leader, one of the principal Repu
blican papers of the State. Col. Barnett
is making friends everywhere in the
canvass and more than holds his own
with his competitors on the stump.

THE *Herald* says: "Vote for the re
spectability of yourself and family by
stamping beneath the rooster's feet." If
that means anything the *Herald*
means to say that any man who does
not vote the Democratic ticket fails
to maintain "the respectability of
himself and family." In other words
that it is not respectable to vote any
other ticket but the Democratic tick
et. Shame be upon such a sentiment
and upon him who gives it utterance.

The great contest in Kentucky is
coming now to the climax—the set
tlement by the ballot. The voters,
ninety-nine out of every hundred,
have their minds already made up,
so that the great effort now
will be to get the voters to the polls.
No Republican should falter now.
The fight is won if the Republicans
turn out and vote. Thousands of
Democrats will support Bradley, be
cause they cannot conscientiously
indorse the course Gen. Hardin has
pursued in ignoring the platform.
This is our opportunity in Kentucky
to redeem the State and every Repu
blican should be at his post until the
polls close.

THE *Hartford Herald*, the once
great mogul of the Democratic party,
but now the measly, little hindmost
sheet of a still more deluded and al
most obliterated party comes out this
week and informs its very, very
large scattering readers that if the Re
publicans gain control of the State,
we will have mixed schools. It is
sad, indeed, to think that men of
supposed intelligence should be try
ing to run a newspaper, when it is
evident they have never read the Con
stitution of their own State. Section
187 of the present Constitution says:
"Separate schools for white and col
ored children shall be maintained." That
provision of the Constitution
cannot be changed only by a direct
vote of the people, and all of the
Herald's little silly talk about mixed
schools and negro domination is
knocked higher than a kite and that
paper, is put on the list of papers as
being wilfully and maliciously false
from beginning to end.

AFTER THE BOODLE.

MR. L. C. NORMAN, present Audi
tor of the State, candidate for re-elec
tion and Manager of the State Demo
cratic Campaign Committee, has been
soliciting a corruption fund to help
hold Kentucky in the Democratic
column.

A prominent Democrat of Jackson
county in a letter dated McKee, Oct.
8, and addressed to Hon. L. C. Nor
man, Donnie also State Committee,
says: "In answer to yours of Septem
ber 12, in regard to getting up some
money for campaign funds, I will
say that I have consulted the leading
Democrats of this county on that
subject," etc., and concludes, they
are too poor and too low to "con
tribute anything." And Mr. Norman
is so bold and so shameless in his ef
forts to raise "campaign funds" that
he boldly publishes this letter to the
world, so much as to say it there is
any Democrat whom he has not been
able to lay tribute upon and who
will "contribute anything," he is
will in business at the same old
stand. It is such politics as this
which the people of the State are cal
led upon to swallow in the election of
Hardin, Norman & Co. Vote the
Log Cabin ticket and rebuke this
crowd of boodlers.

ROSINE.

Items of Interest from That Thirving Lit tle Town.

Last Saturday was county can
didate's day here. All of them were
present and our citizens turned out
in a goodly number to hear them, but
they were sadly annoyed to hear the
Democratic men howl "negro" pre
dominance and censure Col. Bradley
for having voted for an honorable citi
zen of the darker class against a hot
headed Democrat who had betrayed his
party. It is a right, indeed, to vote
for Grover Cleveland who appointed
negroes to office, but will never do to
support Col. Bradley, because he voted
for a "negro" in a county election.

Prof. Crowe's address Friday night
on the subject "Love Labor and Live"
was excellent, and all enjoyed it very
much. Notwithstanding the inclem
ent weather a very respectable num
ber was present. Come again, Pro
fessor.

The dark angel visited us Friday
night and took from us our esteemed
townsman, Ed. Byers.

Bro. Richardson, our new divine,
filled his appointment here Sunday.
He goes to his new home at Sulphur
Springs in a few days.

Dr. S. J. Wedding moved to his
farm near Sulphur Springs, the 14th.
We regret losing so worthy a
citizen, but realize that our loss is an
other's gain. We predict brilliant
success for the Doctor in his new
home.

Mrs. Sulenger, at the home of Mrs.
Whittinghill's, is very low. It is
thought she will not recover.

Mr. St. Clair, having purchased the
Watt's property, has lately moved to
our town. We are glad to have such
men as Mr. St. Clair with us.

CHARLES MAGNUS.

Never Vote for Hardin.

The Louisville Post says editorial
ly as follows:

To vote for Hardin is to approve
his abandonment of the platform.

To vote for Hardin is to answer af
firmly the appeal of the Commit
tee of Thirteen to abandon your opin
ions.

To vote for Hardin is to vote for Jo
Blackburn.

To vote for Hardin is to condemn
Cleveland and Carlisle.

To vote for Hardin is to vote for
the free coinage of silver.

To vote for Hardin is to vote for a
free silver delegation to the National
Convention in 1896.

To vote for Hardin is to vote for a
free silver nominee in 1896.

To vote for Hardin is to submit to
the yoke of self-elected bosses.

To vote for Hardin is to align Ken
tucky with the free silver agitators.

To vote for Hardin is to vote to
continue through 1896 the silver agi
tation, to the great injury of busi
ness.

To vote for Hardin is to vote to
continue the hard times, and to post
pone indefinitely to return of confi
dence.

To vote for Hardin is to strike a
blow at the public credit.

To vote for Hardin is to support
the men who denied the nomination
for Governor to Buckner, and who
attacked his supporters and drove
him from the Senatorial field.

Democrats, never vote for Hardin.

"The Common People."

As Abraham Lincoln called them, do
not care to argue about their al
iments. What they want is medicine
that will cure them. The simple,
honest statement, "I know that
Hood's Sarsaparilla cured me," is
the best argument in favor of this
medicine, and this is what many
thousands voluntarily say.

Hood's Pills are the best after din
ner pills, assist digestion, cure head
ache, etc.

Can't Get Along Without Them.

The following toast to the men is
attributed to a charming Henderson
girl: "God bless 'em. We have
their joys, double their sorrows, tre
ble their expenses, quadruple their
cares, excite their afflictions, control
their property and outmaneuver
them in everything. This would be
a dirty world without men. In
fact, I may say, it would not be much
of a world without them anyway.
We love 'em and the precious fel
lows don't know it. As husbands
they are always convenient, though
not always on hand. As beaux they
are by no means matches. They
are most agreeable visitors. They
are handy at lairs and indispensable
at theatres. They are splendid ex
cuses for some other fellow's wife's
sister, and as friends they are better
than women. We are ready to cry,
or lie, or fly for them—in fact, do
anything but—die for 'em."

Last Call for Taxes.

On account of short
crops last year, and
the consequent scar
city of money, we have
been easy with tax
payers in forcing col
lections, but now the
time is fast approach
ing when I will have
to settle with the
State and county for
all the tax due them
whether I collect it
or not, therefore you
who still owe taxes,
are requested to pay
at once and not force
us to levy on and sell
your property. It is
now too late for me
or my deputies to vis
it all of you before
the six per cent. pen
alty will be added,
which will be in a
few days, but our of
fice in Hartford will
be open every day,
Sundays excepted,
where you can find
some of us ready to
receive tax money
and receipt therefor.

An Allwise Father
has this year smiled
upon our county and
blessed us with boun
tiful crops of all
kinds, for which there
are now open ready
markets and out of
this great surplus tax
payers should will
ingly pay what they
owe. After the 10th
day of November we
will call on no per
son the second time
for tax money, but
will be forced to levy
in every instance
where the money is
not paid on demand.
We hope we will not
be forced to levy, but
must if this warning
appeal is not heeded.

Your Obedient servant,
C. P. KEOWN, S.O.C.

Did not Know It Was Landed.

This paper has none but the kind
est feelings for J. P. Miller, but his
organ at Beaver Dam has not known
him as long as we have or it would
not abuse the signers of Brookin's
petition for executive clemency. It
would not urge Mr. Miller as the
unrelenting foe of the sale of liquor.
Mr. Miller's record and his organ
conflict; they do not consist. At the
May term of the Ohio Circuit Court,
1875, Mr. Miller was indicted, subse
quently tried, found guilty, and fined
for unlawfully selling liquor when it
could have been sold lawfully. Had
Mr. Miller had such a petition he
might have been pardoned. The ed
itor of the Industrialist would have
probably signed it.

Nervous and Weak

Hood's Sarsaparilla Made Him a

"I cannot find words in which to express
my thankfulness for what Hood's Sarsa
parilla has done for my husband. He
was afflicted with rheumatism and the

and his actions became sluggish, having
no life at all about him. He seemed a
physical wreck. At last he decided to
take Hood's Sarsaparilla, and after tak

well. He continued taking it, and to
day he feels and looks like

The scriptures say there is a

this? In other words, what do
you think about that subscrip

Well I am going to pay it off, but
stop and think "we cannot run"
